need YOUR help! We are in need of
paper towel tubes. If you have any you
are willing to donate please send them
to school with your scholar.

THANK YOU!

* Each week students will be tested on 5 words that follow a specific spelling pattern (this week: ee & ea vowel patterns). Students will also be given 5 additional words that follow the same pattern to determine their ability to transfer spelling patterns to unknown words.

* Numbers 6-10 are words from the second grade high frequency word list (quarter 1).

* Please note: In second grade we expect correct usage of capital and lowercase letters. If your child capitalizes a letter and it should not be capitalized, it is counted wrong.
